PUBLIC NOTICE: 05/24/2021 Pine Street Paving & Improvements - No On-Street Parking & Access Delays

NOTICE IS HEREBY GIVEN that beginning on **Monday, May 24th**, street paving and maintenance activities will occur in the following area:

Area: Pine Street (entire span between W. Boyd Road and W. Main Street)

Please do not park vehicles in the street at the above locations during the construction as it will only slow down the work being done.

There is no work scheduled to occur on the weekend however, this could change depending on progress but those changes will be made available as far in advance as possible.

- Heavy truck traffic will be present throughout the day. Please be cautious about children being in front yards.
- If possible, please refrain from any sprinkler use that could lead to water runoff onto the street the day your area of Pine Street is being worked on.

If you have any questions during the paving process, please contact Carter Nicely at Shepco Paving at (678) 313-5574.

The City apologizes in advance for any inconvenience this may cause and thanks you for your patience during these much-needed street improvements and upgrades.
