BACKGROUND (Includes description, background, and justification)

Troup County Parks & Recreation has secured a quote from Aqua Dynamics in Jonesboro, Ga., for a 20' x 20' square foot pavilion on a concrete slab, with block columns and metal roof. This is the identical style pavilion at Hogansville Splash Park at Strozier Field.

BUDGETING & FINANCIAL IMPACT (Includes project costs and funding sources)

Cost is \$28,725 per pavilion (excluding any Permits, Structural Drawings or Engineered Drawings) to be paid from the county match of the 2019 SPLOST Recreation, Parks and Trails once enough funds have accumulated.

STAFF RECOMMENDATION (Include possible options for consideration)

Recommend the Council approve up to three (3) pavilions be constructed in the grass donut at the park, to be accompanied by trash receptacles, BBQ grills and bicycle racks as Phase II of the project. Once completed, a ceremonial dedication can be conducted, complete with unveiling of a name plate affixed to a permanent boulder.

Good afternoon. Is this identical to an existing pavilion already in Hogansville? If not, do you have any photos or anything I can include with a request to our city council? Thanks.
