

APPLICATION FOR BUDGET BILLING

Budget billing allows you to pay the same amount on your utility bill each month, removing the month to month fluctuations caused by the changing seasons, usage, or other factors. To qualify for the budget billing plan, you must have at least one year of service with the City of Hogansville and your account must be current.

To calculate the budget amount, we calculate your average consumption during the past twelve months and determine a monthly budget billing amount. The settlement month shall be twelve (12) months from the starting month. We will look at your actual consumption and current charges throughout the year and compare them with what you have paid. If the settlement amount is a credit, the City of Hogansville will apply the credit to future billings. If the settlement amount is a balance owed by you, the total balance will be due and payable in the settlement month.

In the event your account becomes delinquent while on Budget Billing, the account will automatically be removed from the plan and will result in a requirement to pay any balance due in full with the next regular monthly bill. It is imperative that your Budget Bill amount is paid before the 10th of each month. When an account is terminated, a final bill will be processed and will reflect a balance due or refund.

Name _____ Customer Number _____

Address _____

Phone Number _____

I agree to pay \$_____ per month on the Budget Billing Plan. I understand that if my bill becomes past due, my utilities will be disconnected.
